SPORT NOTES.
Even if Brooklyn did fall to land the big things this season it deserves credit for being the nearest outfit to the champs. Just across the East river.
Barnes day stuff has invaded the baseball lot. The Boston Braves put on a big sale the other day when 50 cents bought the best seat in the wigan.
If the Athletics could sting the balance of the American league circuit the way they do the White Sox, the Mackmen would be up there fighting for a cut in the big money.
After several unsuccessful attempts, Benny Kauff has at last tamed his bats to the proper swat. The Giant outfielder is going for the National League batting honors at top speed.
Pitcher Toney has earned a bonus of \$1,000 for winning 20 games for the Cincinnati Reds. Conditions in pasturing when the White Sox, the Mackmen would be up there fighting for a cut in the big money.
All Cleveland has to do, is to beat Carl Mays some day and thereby boost their chances for the pennant over the Red Sox twirler. The Indians have already copped one game from Mays since he joined the Red Sox in 1915.
Sherwood Magee has crossed the critics who declared he was slipping when the Phillies sent him to Boston several years ago and that he was still slipping when the Braves set him adrift. The veteran gardener has been hitting near the million mark since he joined the Cincinnati Reds.
Our Sydney correspondent says that in consequence of the curtailment of expenditure by the states and by private companies unemployed is increasing in Australia.

Browns Win Competitive Military Drill

Lieut. Col. Sheldon Awards St. Louis Team \$500 for Excellent Military Tactics—Second Place Given to Washington Club and Third to Cleveland—Great Credit Given to Drill Sergeants Who Had the Men in Charge—Military Drilling Will be Carried Out Every Season.

Chicago, Aug. 27.—Members of the St. Louis club are winners of the competitive military drill of the American League. Lieutenant Colonel Raymond Sheldon, U. S. A., announced his decision tonight. The players will be presented with \$500 by President Johnson of the American league. The army sergeant who drilled them will get \$200.

Second place was given to the Washington club and third to Cleveland. Chicago was fourth, Boston, Detroit, New York and Philadelphia in the order named. The St. Louis players were perfect in variety of movements and punctuality and were penalized only one point in discipline and six points in drilling.

Lieutenant Colonel Sheldon said he was astonished at the efficiency of the teams.

"The sergeants deserve great credit for the results they have achieved," he said, "and the teams are entitled to the highest commendation for their splendid manner in which they acquitted themselves."

Lieutenant Johnson said that military drilling undoubtedly would be carried out every season.

FINANCIAL AND COMMERCIAL

MARKET WERE BEARISH

Because of Uncertainty Attending Government Price Control.

New York, Aug. 27.—Part of last week's rally in the stock market was surrendered today, the bears again assuming an aggressive position on the continued uncertainty attending government price control.

The Russell-Sells index also militated against bullish initiative, rubles falling to 29 1/4, the lowest quotation yet recorded, and other European currencies showing weakness.

General firmness marked the early dealings, but prices fell back on the exchange of news covering Bethlehem Steel's financial plan started a setback in the price of one of the three United States Steel reacted from 122 to 120 1/8, closing at 120 5/8, a net loss of 7 1/8. Other equipment and issues as a whole also pursued an uneven course and rails soon parted with their moderate gains of the first hour.

Early activity in a few of the most popular shares was abandoned when public interest in those issues failed to materialize. Shipbuilding and tobacco furnished much of the day's stability, marines, Atlantic Gulf and West Indies, as well as United Cigar Stores and Tobacco Products, advancing 1 to 2 1/2 points. These gains were substantially reduced when the market tumbled in the afternoon, the latter dealing, the last closing with a heavy tone. Total sales aggregated 255,000 shares.

Impending payments to the Liberty loan and the next offering of treasury certificates accounted for the 2 percent call money rate and the greater scarcity of time accommodations.
